WORK EXPERIENCE

React developer

Clanhouse (2021 to present)

- I serve as a front-end developer specializing in React.js in one of Clanhouse's project groups.

Web developer

Freelance (2018 to present)

- I have been collaborating with various clients, for whom I have made landing pages, WordPress themes, and some minor updates in theirs websites' code.

Feature writer

Niestatystyczny (2017 to present)

- As literature is my passion, I am responsible for writing content for the Polish literacy web portal Niestatystyczny.pl.

PR & Marketing specialist

SQN Publishing House (2012 to 2018)

- During my work in SQN Publishing House, I prepared marketing budgets, supported sales by marketing activities, prepared company newsletters and content for the company website, and coordinated press conferences.
